 **PETRA CHURCH**

WELCOME

WELCOME, and thanks for taking this first step in our BELONG journey.

You're taking an intentional step to grow in community and fulfill Jesus' vision for your life. The Belong journey introduces you to the Petra leadership and church family. It will help you understand our story, what's most important to us, our vision for the future, and how you fit into that mission. Knowing where we've been and where we're heading will help you connect to our community life here.

Through the Petra community you'll find relationships, encounter genuine care, experience authentic growth, and discover tangible ways to bless others. Community is the glue that holds us together.

As you walk this journey and learn our values, I encourage you to open your heart to receive, be challenged, and be changed. This is your church. You belong!

Lester Zimmerman
Senior Pastor, Petra Church

YOU MAY ASK, "WHAT IS COMMUNITY?"

To us, a church community is a group of people intentionally developing relationships, pursuing God together, caring for and serving one another, and reaching out to their local community.
